MINUTES OF THE SESSION

OF THE

PRESBYTERIAN CHURCH,

PRESBYTERIAN BOARD OF PUBLICATION AND
SABBATH-SCHOOL WORK,

No. 1334 CHESTNUT STREET, PHILADELPHIA.

PREFACE.

The "Form of Government" of the Presbyterian Church, in Chapter IX, Section VIII, directs that "every Session shall keep a FAIR RECORD of its proceedings; which record shall be, at least once in every year, submitted to the inspection of the Presbytery."

Notwithstanding this direction, great want of neatness and precision is found in every section of the Church, in the method of keeping these records. There is also a great lack of uniformity in the size and kind of books in which they are inscribed.

It is with the desire of aiding to do away these evils, by presenting to the Church a model volume of Sessional Records, that the Board of Publication has, at the request of a number of Ministers and of Presbyteries, prepared this book. It should be kept by a clerk appointed by the Session, and the entries be made in a neat and legible hand; the necessity for interlineations and corrections being carefully avoided.

A CHURCH REGISTRY has likewise been prepared. As it is not required to be annually carried to Presbytery for inspection and approval, and as it may not be filled at the same time with the book of Minutes, it seems best that it should usually be a separate volume. Still, the two may be obtained bound together or apart.

Specimen of Records.

For the benefit of inexperienced Clerks of Sessions, we present the following, which will exhibit the proper method of making entries, upon a number of the commonest matters to be recorded.

MINUTES OF SESSION.

A free conversation was held upon the state of religion in the congregation, from which it appeared that there was much cause for gratitude and encouragement.

It having appeared that Common Fame charges Henry A. with unchristian conduct in several particulars, the Moderator and Elder W. were appointed a committee to wait upon Mr. A. upon the subject and report to Session at its next meeting.

Charles T. appeared before the Session and preferred certain charges against Samuel L. After hearing the charges, the Session directed its Clerk to give the accused a copy of the same with the names of the witnesses to support them, and to cite all concerned to appear at the next meeting of the judicatory.

It is as follows -

Mr. D. Parole - entered into the heavenly home on Thursday, February 14. 1903.

He was a Communicant member of the Second Church of Granby, N. J. since Feb. 6. 1876. - and an Elder of this church since March 7. 1881.

In view of his departure the Session would place upon record its sincere appreciation of his good moral work - his beautiful Christian spirit - and his amicable Christian life.

The unshakable and unswerving in their commitment to what he was as a man of Christian faith - and what he did - is most regretted.

"His work doth follow" - Strong in character - he was also beautiful in life - because he adorned the doctrine he professed - and thus manifested forth the virtues of him - who called him out of darkness into the marvelous light.

It is a pleasure to speak of him - because he was a good man - and also because in doing so - honor is paid to the Lord Jesus Christ - who made him what he was - and who was the inspiration of his character and life.

His departure is a great loss to this church - to which he was so devoted - and which he built up so well.

To his widow and children - in their sorrow - the Session extends the deepest sympathy - which it agrees with them in the assurance that he is with the Lord - perfectly blessed in the full enjoyment of God - and this forever.

It is the will of the Session that this minute be spread upon the record of the church - and that a copy of it be sent to the family of our brother - who left this mortal life.

The Session adjourned with prayer by Elder Mullen.

MINUTES OF SESSION.

On Nov. 5, 1909 - Mr. W. H. Pe. L. departed out of this life in his eightieth year. He united with the Second Presbyterian Church of Barre, N. J. on confession of Christ - last year in the year 1852 - June 3rd. He was ordained and installed an Elder in said Church on August 14, 1870 - full seven years is a long time to be a member of one Church and this seven years represents a long period of service as an elder in the same Church. A very unusual record. And his life was particularly an out-put of labor for Christ and for His cause. His years were full of good work. The Session of the Second Church would place on record its testimony to the fidelity of this Child of God who labored "without ceasing" after the example of his Saviour. "having said to all men as he had opportunity" - and also of his consistent life as a Christian. (He) "walked with his vocation."

Let the Paul, M. H. P. be "sent" to the people justified. and from many to know. - and as an Elder he "with" heard to call the flock out where he was made an officer to feed the Church of God.

It came to his grave in a full age. "like as a cloud" of Am. corneth in in his season. - and "at evening" being it was dispersed with him.

In view of his departing, it was ordered by the Session of the Second Church.

First: That a suitable minute be prepared to be read - in the meeting of the Pastors and Elders. S. C. Session - Second: That the said minute be spread upon the records of the Session. is read from the pulpit. is published in the local paper. and a copy to be made to the family.

Oct. 14 - 1910.

Richard Allen,
Moderator N. C. Ch.

MINUTES OF SESSION.

The Christian Church and the Community have
 expressed a great deal because of the departure of
 of this life of Mr. Frank A. Brown - on Oct. 11 - 1910

He fell to large size and was a faithful
 servant of his people. His life was the expression
 of the Christian faith which he lived and served
 from on Feb. 6, 1876 - he united with the Second
 Baptist Church of Cranbury, N. J. and a brief
 service was held on Sabbath June 5, 1910. He
 was generous and insisted on being in the
 church.

It is the intention of the pastor of the Community
 when his life was short that he has "a good man" -
 one who followed the Christian faith the proper
 and, so, he was an Elder in the Christian Church.
 When he had the right qualifications of a "good servant
 of the Lord in secret."

The Service of the Second Church would place on
 record a report of the life of Mr. Brown - as a Christian
 man, and in view of his departure it was ordered,
 First: That a committee be appointed by a Com-
 -mittee consisting of the Pastor and Elders B. C. Lewis.

Second: That the said committee report upon the
 record of the service to be held on the pulpit. It was
 ordered in the local paper. And a copy to be given to the
 widows.

the Pastor which reads as follows:

San Anselmo, Calif. Sep 20, 1918
Officers and members of the Second
Presbyterian Church:

I hereby tender my resignation as Pastor
of the Second Presbyterian Church, resignation to
take effect October first, 1918.

My chief reason for this decision is that
the rigorous winters of the East are too severe
for my wife who is accustomed to the
milder climate of her own State of
California. I take this important step
after mature deliberation but with sincere
regrets being mindful of the great kindness
of the people and the loyal and hearty
co-operation of officers and members alike.

I have accepted a call to the Presbyterian
Church of Van Nuys, California. That will
be my address after the first of October and I
shall be pleased to write to any of my
many friends who may correspond
with me.

Yours in the great work of Christ
(Signed) Warren C. Curry

The following is a copy of the letter,
Cranbury 1st April 8th 1922
To the Officers of Odd Fellows Lodge
Cranbury, New Jersey,
Saultons.

The Session of the Second Presbyterian Church respectfully requests the Lodge to consider the possibility of holding its social functions on an evening other than that of Friday.

The custom of the community has been to retain the Friday evening free from all other functions in order the Christian people may be encouraged to attend the Prayer Services of the respective churches. The Session makes this request in the most brotherly spirit in the manner in which the matter can be settled with the least difficulty. In these days when so many influences are at work to destroy the influence of the Christian Church the Session looks to all worthy organizations to cooperate in the effort to continue the distinctly Christian character of our community.

Sincerely

Geo S. Washburn Clerk

By order of the Session

On motion it was voted to send a letter to the Session of the First Presbyterian Church of Cranbury advising them of our action and asking them to cooperate.

After listening to the testimony of both parties under oath they were exposed.

The Session discussed the case fully and concluded that no action was advisable in view of the complete divergence of the testimony and the constitutional provision that the testimony of only one witness must be supported by additional evidence. with prayer by the Moderator. Mrs. Harry Schwell and Mr. Harry Conover were present in response to notice given them to appear before Session. The Moderator read the decision of Session as follows:

In the matter between Mrs. Harry Schwell and Harry Conover after listening to the statement of both parties under oath and careful deliberation the Session makes the following comment:-

First:- In view of the complete divergence of the testimony of both parties concerned the Session is unable to come to any conclusion in the matter. The law of the Presbyterian Church specifically prohibits action on the testimony of only one witness unless supported by other evidence. Therefore the Session has decided to take no action in the matter.

Second:- It is the opinion of the Session that the defect arose in conversation by both parties while conversation was considered of a questionable nature for professing Christians to indulge in. We would advise you both to be guided in the matter from now on.

Third:- In consideration of the peace and unity of the Church as well as for your own welfare we urge upon both of you the inadvisability of further reference to the occurrence.

By order of Session

Fredrick Schwartz, Moderator
Geo. Mashon, Secy.

The Moderator gave each of the parties a copy of the above decision and Mrs. Schwell and Mr. Conover retired from the meeting.
